## CLEAN GYM

### DISINFECTING DETERGENT FOR SPORTIVE FLOORS

Sportfloor Cleaner is a specific detergent for the cleaning for sportive wooden floorings. It cleans the surface in a uniform way without leaving marks. Rinsing is not necessary.

The product is very efficient against dirt and suitable both for a frequent maintenance and for a deep cleaning of much dirty surfaces.

### Technical data

#### Physical characteristics (20°C – 60% R.H.)

Aspect Transparent liquid Specific gravity 1,00 gr/cm<sup>3</sup> Viscosity (Ford4 20°C) 10" pH of pure product ~ 9

#### Storage & Labeling

Storage (original unopened packaging at ambient temper.) 12 months

Protect from freeze Symbol of risk NONE

Packaging Bottle of 1 lt - Drum of 5 lt

### Application

Before proceeding to the washing, clean the surface to remove the dust, impurities and solid residues with dry clothes or proper industrial cleaning systems.

According to the typology and quantity of dirt to be removed, dilute Sportfloor Cleaner as follows:

- For the frequent / daily cleaning and if the dirt is not intense, pour 2-3 caps into 10 liters of water, wash the floor with a damp wrung mop or a machine.

Let it dry without rinsing.

- If the floor is very dirt, pour 4-5 caps into 10 liters of water and wash as described before, leaving the solution react if necessary on a particularly dirt area.

Let it dry without rinsing.

Wash the dirt clothes and mops with water.
